

External Battery universal battery power bank From <http://>

Product name:

External Battery universal battery power bank

product details

Model No: YC4400

capacity: 4400mah

Brand Name: Dishy

size: 70x60x22mm

weight: 120g

color: white

material: fire-proof ABS

Battery: Cylindrical battery 2x2200mAh 3.7V

input: 5V/800mA

output: 5V/1000mA

Warranty: 1 year

Service: OEM, ODM, Customer's logo

MOQ: 500 pieces

Price: FOB price

Port: ShenZhen

payment terms: L/C,T/T, Western Union, MoneyGram

Place of Origin: Guangdong, China (Mainland)

Certificates: CE,UL,SGS,MSDS,ROHS,UN38.3,FCC

Specification

*Battery types: High quality, high security 18650 columns of lithium battery

*capacity: 4400mAh @3.7V

*Since the charging time:Through the DC input port: 6-7 hours

*DC input port: Micro,

*Charge current:800mA,The built-in current protection device

*Power shows?Intelligence LED power instructions

*Charging display?Power indicator light

*Output voltage: 5VStable output, features work voltage fluctuation

*Output current: 1 A Max, built-in intelligent chip identification equipment should be practical to the currents

*Working temperature: -30?-60?

Features

?Sleek appearance, feel comfortable, easy to carry

? A key type intelligent switch, can realize the automatic dormant, and comprehensive,Reduce the self-consumption,in order to save power

? Automatic temperature control, intelligent identification, reset control advanced technology

? 1 A Max, built-in intelligent chip identification equipment the practical need,Current size, able to support all kinds of 3.7 V digital products

? 4400 mAh high capacity of 18650 cylindrical lithium battery, realize the number?Code of charging products many times

Packing & Delivery

Packing details: Blister Card Packing for power bank, we can also packing as you want

Delivery time: 3-15days after your confirmation
