

High Power Portable mobile Power Bank for consumer electronics From http://

Product name:

High Power Portable mobile Power Bank for consumer electronics

product details

Model No: YA4600

Brand Name: Dishy

capacity: 4600mah

size: 93x43x22mm

weight: 110g

color: red?oranger?blue

material: fire-proof ABS

Battery: Cylindrical battery 2x2300mAh 3.7V

input: 5V/500mA

output: 5V/800mA

Warranty: 1 year

Service: OEM, ODM, Customer's logo

MOQ: 500 pieces

Price: FOB price

Port: ShenZhen

payment terms: L/C,T/T, Western Union, MoneyGram

Place of Origin: Guangdong, China (Mainland)

Certificates: CE,UL,SGS,MSDS,ROHS,UN38.3,FCC

Specification

*The battery type: high quality, high security 18650 columns of lithium battery

*capacity: 4600mAh 3.7V

*self- charging time:4-5 h

*DCInput port: Mini

*Lighting function?LED flashlight

*Charge current: 500 mA, built-in current protection device

*Power shows: intelligence LED a key 5 power instructions?

*Charging display: the red light

*Output voltage: 5 V stable output, features work voltage fluctuation

*Output current: the maximum 800 mA, built-in intelligent chip identification equipment?The actual need of the current size

*Working temperature? -30?-60?

Features

1. Advanced MCU control circuits, intelligent power detection ,inside overcharge, overload, thermal and short circuit protection, safety can be depend, efficiency is as high as 88%
2. low self- consumption of static current
3. Features vogue,, choiceness design?Convenient to carry
4. Fire prevention ABS, surface prevent scratch, processing sense of lens face
5. USB power supply function, good compatibility,support phone, MP3, MP5, IPOD and PSP, digital products, USB connect computer directly ?fast storage of electricity, which is suitable for the people travel, outdoor Or field operators

Packing & Delivery

Packing details: Blister Card Packing for power bank, we can also packing as you want

Delivery time: 3-15days after your confirmation
