

Hot sale Portable battery Bank for consumer electronics From <http://>

Product name:

Hot sale Portable battery Bank for consumer electronics

product details

Model No: YC8800

Brand Name: Dishy

capacity: 8800mah

size: 70x96x22mm

weight: 220g

color: white

material: fire-proof ABS

Battery: Cylindrical battery 4x2200mAh 3.7V

input: 5V/1000mA

output: 5V/900mA & 2000mA

Warranty: 1 year

Service: OEM, ODM, Customer's logo

MOQ: 500 pieces

Price: FOB price

Port: ShenZhen

payment terms: L/C,T/T, Western Union, MoneyGram

Place of Origin: Guangdong, China (Mainland)

Certificates: CE,UL,SGS,MSDS,ROHS,UN38.3,FCC

Specification

- * Battery types: High quality, high security 18650 columns of lithium battery
- * capacity: 8800mAh @3.7V
- * Since the charging time:Through the DC input port: 9-11 hours
- * DCInput port: Micro,
- * Charge current:1000mA,The built-in current protection device
- * Power shows?Intelligence LED power instructions
- * Charging display?Power indicator light one by one to flicker
- * Output voltage: 5 V stable output, features work voltage fluctuation
- * Output current: Double USB output, maximum output current to 2 A
- * Working temperature?-30?-60?

Features

- ? Sleek appearance, feel comfortable, easy to carry?
- ?YC5200 upgrade edition, with four core 18650,Capacity promotion again, use more lasting
- ? A key type intelligent switch, can realize the automatic dormant, and comprehensive?Reduce the consumption, to save power
- ? Automatic temperature control, intelligent identification, reset control leading technology
- ? Double USB output, maximum current to 2 A, built-in intelligence general chip?Don't equipment needed current size, able to support of all kinds of 3.7 V digital products
- ? 8800 mAh high capacity of 18650 cylindrical lithium battery, realize the number?Code of charging products many times

Packing & Delivery

Packing details: Blister Card Packing for power bank, we can also packing as you want
Delivery time: 3-15days after your confirmation
