Portable mobile Power Bank for consumer electronics From http://

**Product name:**

Portable mobile Power Bank for consumer electronics

**product details**

Model No: YP5200

Brand Name: Dishy

capacity: 5200mah

size: 110×70×16mm

weight:

color: Silver, black

material: fire-proof ABS

Battery: polymer battery 2×2600mAh 3.7V

input: 5V/1000mA

output: 5V/500 or 1200mA

Warranty: 1 year

Service: OEM, ODM, Customer's logo

MOQ: 500 pieces

Price: FOB price

Port: ShenZhen

payment terms: L/C,T/T, Western Union, MoneyGram

Place of Origin: Guangdong, China (Mainland)

Certificates: CE,UL,SGS,MSDS,ROHS,UN38.3,FCC

**Specification**

\*battery type: High quality, high security lithium-ion polymer battery

\*capacity: 5200mAh 3.7V

\*self- charging time:4h

\*Through the DC input port: 10-11h

\*Charge current:1A,The built-in current protection device

\*Power shows?Intelligence LED power instructions

\*Charging display?Power indicator light one by one to flicker

\*Output voltage: 5 V stable output?Features work voltage fluctuation

\*Output current: double USB shunt output?500mAh & 1200mAh?

\*Working temperature? -30?-60?

### Features

- 1.A concise and fluent, form a coherent whole, the underside is arc structure, feel better
- 2.A a key type intelligent switch, can realize the automatic dormant, and comprehensive
- 3.Reduce the consumption, to save power
- 4.A automatic temperature control, intelligent identification, reset control leading technology
- 5.A 5200 mAh high polymer battery capacity, able to support of all kinds
6. 3.7 V digital products charging many times
- 7.A double USB shunt output (500 mAh & 1200 mAh), the reality common charging and fast charging two patterns

### Packing & Delivery

Packing details: Blister Card Packing for power bank, we can also packing as you want

Delivery time: 3-15days after your confirmation
