
Wood Effect Flooring Set 6pcs/set From <http://www.matfoam.com/>

MODEL:	24"X24"
SIZE:	24"X24"
PACKAGE:	6pcs/set

Wood Effect Flooring Set 6pcs/set with High Quality Meet Europe and USA Standard Passing EN71, REACH and FORMAMIDE test

The design makes them ideal for indoor use including caravans, garages and in the home. It's water resistant, easy to clean and provides some slight anti-fatigue benefit.

Size: 62*62cm

Density: 35-38 degree

Thickness: 1/2" 12mm & 10mm available

Interlocking EVA (Ethylene Vinyl Acetate) Foam Floor Tiles complete with edging strips. These floor tiles offer a slightly different look than the usual black or grey tiles as they are OAK wood effect.

10mm thick

Pack of 6 tiles with edging strips

6 tiles cover an area of 1.2 x 1.8m

Wood Effect Flooring set - Wood Design

Closed cell construction (non absorbing)

Traditional pine wood effect look to blend in with floors and interiors

Absorbs shock/noise on hard surfaces

Quick and easy to install, pieces lock together like a jigsaw

Lay and take up as and when you need to
